Business to Business services

With the 2006/2007 restyling, fxd team has revisited services and has created some new special services oriented to the ADVERTISING AGENCIES and MEDIUM-LARGE DESIGN STUDIOS, this improve hugely the workflow in managing project for agencies that could need a support in creative services. Besides with this changement b2b clients will be to take advantage from:

- international assistance 24/h
- support in 4 languages
- quick development
- special fares
- other communication channels
